

**PROJECT # 2016-11
Request for Proposal
QUALIFICATION OF CONSULTING SERVICES FOR THE DESIGN AND
CONSTRUCTION OF THE NICKEL AREA STORM SYSTEM**

Sealed Bids, plainly marked as to contents, will be received by the office of the City Clerk until 2:00:00 p.m. local time on:

MONDAY MAY 9th, 2016

Background Information

The Corporation of the City of Port Colborne is inviting Proposals from qualified, professional consulting firms to prepare a Detailed Design along with all applicable components for the Nickel Area Storm Sewer project. The Project entails the design of a complete Storm Water Management System (SWM) within the boundaries of Durham Street, Davis Street, Lake Road, and the Welland Canal.

In December of 2015 the City of Port Colborne submitted an application for Provincial funding under the Ontario Community Infrastructure Fund (OCIF). Through the Provincial selection process the City of Port Colborne qualified for this program with the submission of the Nickel Area Storm System.

Scope of the Project

This projects scope encompasses all aspects of the design Proposal, inclusive of an EA, Topographical Survey, Geotechnical Report, Archaeological Study and all aspects of Municipal servicing, being storm water management. All necessary connection details are required along with an appropriate storm water outlet or alternative means suitable for the proposed design to form a fully functional system.

Interested Parties

Interested parties are required to respond in writing by contacting Janice Peyton – Executive Administrative Assistant, DEO at the email: nickelstorm@portcolborne.ca **by email only** and by no later than: **Tuesday, April 26th, 2016 at 4:30:00pm**. If a response is not received by the deadline, no documents will be available to your firm.

Information meeting will be held on **Wednesday April 27th, 2016 at 2:00:00pm** located in Committee Room 2 on the Second Floor, City Hall located at 66 Charlotte Street.

Bids will be publicly opened after 2:15:00 p.m. local time on Monday May 9th, 2016 at the Engineering & Operations Department, Second Floor, City Hall. The lowest or any bid will not necessarily be accepted.

Ashley Grigg
City Clerk
