COMPLETENESS OF APPLICATION:

The information required in this application form complies with the *Planning Act* and will assist in ensuring a complete evaluation. The *Planning Act* allows City Council to refuse to accept or further consider any application that does not provide the information, material and fees prescribed.

A Consent approved by the Committee of Adjustment of the City of Port Colborne must sometimes be reviewed by the Regional Municipality of Niagara and other regional or provincial agencies. The Niagara Region and Niagara Peninsula Conservation Authority have additional fees / information requirements.

PRE-CONSULTATION / OFFICIAL PLAN POLICY AND PROVINCIAL POLICY STATEMENT:

To help you complete the application form, please call and make an appointment with the Planning and Development Services Division at City Hall.

In making decisions on planning applications, Committee of Adjustment shall have regard to Official Plan Policy and be consistent with the Province of Ontario's Provincial Policy Statement which came into effect on March 1, 2005. Both provide policy direction on matters relating to land use planning and development. A Copy of the Provincial Policy Statement can be obtained from the Ministry of Municipal Affairs web site (www.mah.gov.on.ca) and clarification of Official Plan Policy can be received from the Planning & Development Services Division.

To avoid delays, the applicant must be informed of Official Plan Policy and the Provincial Policy Statement and to pre-consult with City, Regional and, if necessary, Provincial planning agencies before submitting an application. Through pre-consultation, agencies will discuss Official Plan Policy and the Provincial Policy Statement.

PROCEDURES FOR PROCESSING APPLICATIONS FOR CONSENT

Under the provisions of Sections 50 and 53 of the Planning Act, as amended, the approval of the Committee of Adjustment is required for land transactions covering the separation of a parcel of land from existing holdings. This approval is called a "consent". Consent is also required for leases, rights-of-way or easements if such extend beyond a period of 21 years and to mortgage or discharge a mortgage over part of a parcel of land.

As provided for by the Planning Act and Regulation 197/96 under The Act, every application for consent must be brought to the attention of certain authorities and to property owners within 60 metres of the subject land, either by personal service or prepaid first class mail or by posting notice of the application at every separately assessed property in the area that constitutes the subject land. In addition, and by policy of the City Council and the Committee of Adjustment, other agencies will be consulted if the location of the subject lands falls within their respective field of responsibility. Refer to "A Suggestion to the Applicant".

Section 69(3) of the Planning Act states that a filing fee may be paid "under protest" and thereafter appealed to the Ontario Municipal Board against the levying of the fee or the amount of the fee, by giving written notice of appeal to the Ontario Municipal Board within 30 days of payment of the fee.

It is this Committee's policy to conduct a public hearing on each application for consent. Notice of this hearing is circulated to the applicant/agent / solicitor and all other persons or agencies as required at least 14 days prior to the date of hearing.

Prior to the hearing, members of the Committee may examine the lands which are the subject of the application. To assist the members and other interest persons or agencies in locating the lands under consideration, the applicant will be required to place one or more posters, 14 days prior to the hearing, on the lands subject of the application. This poster MUST remain in place for the entire 14 day period. If removed, the meeting date will be re-scheduled as proper notice will not have been given. The poster and instructions for its use will be given to the applicant / agent / solicitor by the Secretary-Treasurer of the Committee when application is made or shortly thereafter.

Following the hearing, the applicant / agent / solicitor is notified in writing of the decision of the Committee. In addition, any other person or agency who files a written request for the decision of the Committee will be sent a copy of the decision.

Anyone objecting to the decision of the Committee or the condition(s) imposed by the Committee may appeal either the decision and/or the conditions of consent to the Local Planning Appeal Tribunal within 20 days after the giving of the notice of decision. The notice of appeal, together with written reasons supporting the appeal and the fee, by certified cheque or money order payable to the Minister of Finance, must be filed with the Secretary-Treasurer, who in turn, will forward the appeal to the Local Planning Appeal Tribunal. The fee is \$300.00 for the first application to be appealed and \$25.00 for each additional related consent appeal.

Prior to final consent being issued, written proof must be submitted to the Secretary-Treasurer to the effect that any conditions imposed by the Committee in granting consent have been fulfilled. According to the *Planning Act*, if the consent granted by the Committee is conditional, the conditions must be fulfilled within one year of the giving of the notice of decision. Failure to do so will cause the consent to lapse.

POLICIES

In addition to the matters set out in "Procedures for Processing Applications for Consent", the Committee has adopted the following general policies:

THE REQUIREMENTS TO COMPLETE ONE APPLICATION ARE:

- One fully completed application for consent form signed by the applicant(s) or authorized agent and properly witnessed by a Commissioner for the taking of affidavits.
- A letter of authorization for the applicant(s) for applications which are signed by someone other than the owner(s).
- Two (2) copies of a preliminary drawing showing all information referred to in SUPPLEMENTARY INFORMATION REQUESTED TO ASSIST THE CITY.
- Payment of the appropriate fee. Cheques are to be made payable to "The City of Port Colborne". (See By-law 5718/149/11)

If an application is being made to convey a parcel of land together with or subject to a right-of-way or easement, a separate application form and fee will not necessarily be required for the right-of-way or easement.

Someone must be present at the hearing to represent the application.

Decisions of the Committee are made in public.

In granting consent to an application, the Committee may impose conditions as requested by municipal or other agencies including, but not limited to:

- That the owner submit a letter to the City indicating that (s)he is aware of the requirements of By-law 4748/130/05 which requires the collection of the parkland dedication at the time of the building permit application based on the value of the property the day before issuance of the permit and that (s)he will advise any future purchasers of this requirement.
- That an agreement with the City be entered into for installation of such municipal services as may be required, at the expense of the applicant and to standards acceptable to the City,
- That the reapportionment of the assessment for municipal drains applies,
- That the land be deeded gratuitously to the City or Regional Municipality for road widening purposes,

APPLICATION FEES

The application fee (See By-law 5718/149/11) must be submitted at the time of application as cash or as a certified cheque or a money order payable to the Treasurer of the City of Port Colborne. The City will bill the applicant / agent the cost of the newspaper notice if required. Submission of the Staff Recommendation Report to Council is dependant upon receipt of advertising payment.

REGIONAL REVIEW AND APPROVAL FEES

There is a fee for the planning review carried out by Niagara Region in place of Provincial Ministries. It should be provided to the City to be submitted to the Region at the time of the preliminary review. If this does not occur, then the fee will be due at the time the application is submitted to the Region for review (usually at the time of the Notice of Public Meeting). The applicant is responsible for paying any fees required by Regional Niagara. Failure to pay the Region's fee may result in the Region refusing to consider the Consent Application until the fee has been received.
