Port Cares Soupfest

Last Thursday, I attended the Port Cares Soupfest Fundraiser at the Italian Hall.

The soups were excellent and what a great turnout from the public – over 300 people.

I am told about \$5,300 cash was raised in addition to sponsors.

Thanks to everyone for supporting this great cause.

United Way Campaign Wind-up

On Friday, I attend the wind-up breakfast for the United Way. They still need our help to reach their goal this year so please come out to support their upcoming efforts in our community through the summer.
