

## PORT COLBORNE

### Deputy Mayor's Report to the May 9, 2016 Council Meeting

I will keep my remarks short tonight.

I was pleased today to see our Mayor, John Maloney here at City Hall for a visit. He is looking great and expects to be back by the end of June.

#### **ATV's in Port Colborne**

We received a copy of correspondence from MPP Cindy Forster's Office addressed to Chief Jeffrey McGuire concerning ATV's in Port Colborne, specifically to the north of Clarence Street.

Chief McGuire copied us on his response to MPP Forster in which he indicated that the police are addressing the issue.

We have set up a meeting for this Friday with Staff Sgt. Healey to discuss this further.
