

**Mayor's Report to the  
May 11, 2018 Council Meeting**

**Canadian Niagara Power Inc.**

I met with representatives of Canadian Niagara Power Inc. last week to discuss our concerns about the recent and frequent power outages in the city.

A letter explaining the recent outages has been received and will be posted on our website.

**Profanity on the approach to the former train bridge**

Many thanks to the St. Lawrence Seaway Management Corporation for painting over the profanity in a prompt fashion and for Director Chris Lee on pursuing the matter with the Seaway.

**Doctor's Day**

I participated in a short video acknowledging Doctor's Day. Similarly, the Physician Recruitment Committee will be hosting first year medical students from the University of Ottawa in Port Colborne to introduce them to what practicing in a smaller community is like.

**Medical Education, Recruitment and Health Services Committee Educational Award**

Are you a resident of Port Colborne graduating high school this year? Are you entering post-secondary studies related to a health/medical care field? You could apply for one of two \$250 awards from the Medical Education, Recruitment and Health Services Committee. Please contact your guidance department for more information.

**National Day of Mourning**

On Saturday, April 28<sup>th</sup> I attended at the memorial at H.H. Knoll Lakeview Park in recognition of the National Day of Mourning to honour those workers in Canada who have been killed, injured or disabled on the job, or who suffer from occupational diseases.

## **Museum News**

I also attended at the Museum Members Reception as the Museum opened for the season. May is Museum Month - celebrate with Port Colborne Historical & Marine Museum this Friday, May 18 from 12-5 p.m.

Arabella's Pie Social and History Fair is May 27 12 - 4 p.m.

And starting June 1 - Arabella's Tea Room opens daily for the season from 2 - 4 p.m. Tea from June 1 -9 is '2 for 1' to celebrate Arabella's 40th Anniversary.
