Niagara Entrepreneur of the Year Awards

I would like to extend our congratulations to Jack Vandeerlaan of Pinty's Delicious Foods for receiving the Lifetime Achievement Award at the Niagara Entrepreneur of the Year Awards last week. What started as a chicken processing plant on Second Concession has grown into a multi-million dollar company with Jack at the helm. This proves that you can succeed with hard work and innovation.

I would also like to congratulate Tim Vanden Ende of Timberwood Kitchens and Jennifer Crumb of Cycle-Logical Rentals for being nominated in their categories – Established Entrepreneur and Young Entrepreneur.

Niagara Peninsula Conservation Authority – Conservation Achievement Awards

Congratulations also go out to Patti Moss, who sits on our Environmental Committee and was the recipient of a Niagara Peninsula Conservation Authority Conservation Achievement Award for her work on enhancing Monarch butterfly habitat through the pollinator project. Patti worked with our Environmental Committee to encourage the delay of roadside cutting in areas of Ward 4 to help with monarch butterfly habitat, as well as the installation of signage recognizing these areas.
