

PORT COLBORNE

Mayor's Report to the
October 10, 2017 Council Meeting

Activities this Weekend

Our Fire Hall will be holding an open house this Saturday from 10 – 2 with activities for the whole family.

This is Fire Prevention Week and families can learn more about being safe in their homes.

We are also hosting the Grand Opening of our new Engineering and Operations on Saturday. The ribbon cutting will take place at 10 a.m. followed by guided tours of the facility.

This is a great opportunity to come out and see how your city facilities work for you.

Suzanne Johnston – CEO, Niagara Health

Mayor Maloney advised that at the request of Councillor Mayne, Suzanne Johnston would be attending to November 27th council meeting to bring members up-to-date on activities surrounding the Port Colborne General Hospital site. To expedite matters, members of Council are requested to prepare questions in advance so that Ms. Johnston could provide fulsome answers.
